Mr. Raeman hopes to have a recommendation for the Village Board meeting on March 14, 2016. The Village will not be able to award the bid until financing is in place (if the project was done in its entirety) or unless some items are removed from the bid to bring it close to the projected bid amount.

There being no further business to come before this Board motion was made by Trustee Linsner 2nd by Trustee Blondell to close the bid opening and to adjourn at 8:10 am. All members present voting AYE.

Respectfully submitted,
Lori A. Reals, Clerk/Treasurer
