The Village was projecting this project to come in around \$200,000. The Board authorized Clerk Reals to proceed with the process to borrow \$100,000. This would be paid back over a five year period, from the water fund.

Mr. Raeman hopes to have a recommendation for the Village Board within two weeks. At that time a special meeting would be held to award the bid.

There being no further business to come before this Board motion was made by Trustee Blondell 2nd by Trustee Kumkey to close the bid opening and to adjourn at 8:10 am. All members present voting AYE.

Respectfully submitted,
Lori A. Reals, Clerk/Treasurer
