

April 13, 2020

A regular meeting of the Village Board should have been held on the above date but was postponed per Executive Order of Governor Andrew Cuomo, due to COVID 19.

It was the intention of the Board to hold the public hearing on the budget, but the Governor issued an executive order on April 10, 2020 that prohibited the public hearing.

The Governor had previously issued an executive order that prohibited the open meeting from occurring on this evening.

It is the intention of the Village to obtain a way to meet remotely with the Board and the public to proceed with conducting essential Village business.

Respectfully submitted,

Lori A. Reals
Clerk/Treasurer
